

A Medicare Administrative Contractor (MAC) serves as the operational contact between the Medicare Fee For Service (FFS) program and the hospice service provider

## Home Health & Hospice MAC Jurisdictions as of June 2021

interactive state map: <https://www.cms.gov/MAC-info>

Each MAC is responsible for a defined geographic area, also referred to as a "jurisdiction"

Some MAC activities include:

- Enroll providers in Medicare FFS program
- Process Medicare FFS claims
- Make Medicare FFS payments
- Respond to hospice provider questions
- Audit cost reports
- Audit medical records
- Handle first level appeals
